WHAT IS ZONTA?

Zonta is an international service organization working to improve the status of women both locally and globally.

The Zonta Club of Northern Valley and its non-profit foundation, The Zonta of Teaneck-Bergenfield Foundation, Inc., work to support local charities as well as give scholarships to single parent women who are improving their education. The Club also supports the service projects of Zonta International all over the world. Zonta International, through its United Nations Committee, enjoys non-governmental status at the United Nations in New York City as well as Geneva.

Among the issues uppermost in Zonta's mission are eliminating domestic violence, doing away with trafficking in persons, and assuring women political and economic equality.
